INTRODUCTION

Saad Al Shamrani
Conference Chairman

Welcome to **MAINTCON 2024 – the 7th International Maintenance, Reliability & Asset Management Conference & Exhibition**, organized by Gulf Society for Maintenance & Reliability (GSMR) and Bahrain Society of Engineers (BSE), which will be held from 13 – 16 October 2024 in the Kingdom of Bahrain.

MAINTCON has steadily grown to be one of the largest gathering for maintenance, reliability, and asset management professionals in the world. The statistics from the previous edition speak volumes about the growing significance of MAINTCON. With a remarkable participation of 2200+ delegates, 70+ dedicated sponsors and exhibitors, 80+ distinguished speakers, 8 engaging keynote sessions, and a wide range of activities, MAINTCON 2024 stands as a testament to the unyielding commitment to excellence in the industry.

With the theme, “Building Resilience in Assets for Sustainable Tomorrow”, this edition of the conference will focus on the aggressive digital transformation and sustainable innovation happening in the areas of maintenance, reliability & asset management. By embracing transformation & technological progress with sustainability in this modern era, MAINTCON 2024 will be the perfect platform for international and regional professionals, researchers, service providers, and end users to explore the latest trends in this field. In addition, the exhibition is also planned for companies and service providers to showcase their latest products and solutions leveraging their interaction with the delegates.

Our activities, such as the GSMR Excellence Award, Women in Industry & Asset Management (WIAM), Innovation Corner, and the opportunity to undertake international examinations including the Maintenance & Asset Reliability Certification (MARC) and Certified Asset Management Assessor (CAMA), shows our commitment to not just sharing knowledge but elevating standards of every edition. As we embark on this journey, we invite you to engage and connect with peers and experts across the globe.

We are confident that this conference & exhibition will prove to be a fruitful platform where all levels of industry leaders and specialists associated with the maintenance, reliability & asset management will participate to share their expertise which will enrich such a highly professional event.

Visit www.maintcon.org to learn more about our Conference and be a part of this culture of excellence in our industry.

Thank you!

CONFERENCE TOPICS

Call for Abstracts

Abstracts are invited on the topics outlined and other subjects related to the theme of the conference.

Abstracts should be submitted using our online submission form through our website www.maintcon.org. Abstracts should clearly state the subject matter, the objectives and the important conclusions to be presented in the full paper and should not exceed 400 words. The abstract must include the title of the paper, the author's name(s) and the affiliation including the email addresses. Selection of papers will take into account the originality, relevance and likely interest to delegates. Guidelines for the submission of manuscripts for review and the preparation of the final draft will be communicated upon the acceptance of the abstract.

IMPORTANT DATES

Submission of Abstract
APRIL 15, 2024

Abstract Acceptance
MAY 15, 2024

Submission of Presentation
JUNE 30, 2024

Presentation Acceptance
AUGUST 15, 2024

Final Presentation Submission
AUGUST 30, 2024

Maintenance & Asset Reliability Certification (MARC)

MARC Certification is designed to assess a professional's competency in Maintenance, Reliability and Asset Management Excellence following the asset management standards.

GSMR Body of Knowledge (BoK) and MARC Certification are focused on covering the entire asset lifecycle to achieve industry-leading MR&AM performance. Here's your chance to earn this prestigious certification and join an elite group of professionals in the region.

Certified Asset Management Assessor (CAMA) Exam

The Gulf Society for Maintenance & Reliability (GSMR) In partnership with World Partners in Asset Management (WPiAM) is pleased to offer the "Certified Asset Management Assessor" (CAMA) exam.

This certification establishes an individual's credentials in asset management knowledge and comprehension, globally in accordance with ISO 55001 and GFMAM auditors specifications.

For further information about certification, please contact GSMR Office on +973 17180398 or email- hello@gsmrgulf.org

GSMR Excellence Award 2024

AWARD GUIDELINES, SCOPE & CRITERIA

The GSMR Excellence Award is designed to promote excellence in the fields of maintenance, reliability, and asset management. With a robust mission to facilitate knowledge exchange, represent the pinnacle of business achievements from both private and public sectors and nurture professional development. Through the two subsequent award series, we have successfully honored outstanding practitioners and various industries in the Gulf.

Why Participate?

Entering the GSMR Excellence Award is a powerful demonstration of confidence and pride in your achievements.

Inspires all stakeholders, customers and professionals in the field to spotlight leadership and innovation in the industry.

Significant recognition and success leading to a high level of exposure, honor and reward.

Entering the award, you can align yourself with the region's elites in this field and gain insights on advancing our industry while maximizing the value of assets.

Winning the award offers extensive networking, potential business opportunities and interaction with the region's most successful businesses.

Individual Award

- Awarded to individuals who have led or have vastly contributed in the fields of maintenance, reliability and asset management. All Professionals working in GCC countries only.
- Achievers Award (10 years + experience in field)
Two Winners- Elite & Excellent
- Future Leaders Award (less than 10 years)
Two Winners- Elite & Excellent

Organizational Award

- Designed to recognize initiatives within leading organizations that have had a significant impact (financial, cultural etc.) in the field of maintenance, reliability, and asset management.
- Three Winners-** Elite, Excellent & Premium

Previous Winners

We welcome you to be part of this important initiative by GSMR, a not-for-profit, professional organization for maintenance, reliability & asset management professionals.

WOMEN IN INDUSTRY &
ASSET MANAGEMENT

CSMR
المجوعة الخليجية للصيانة والأمن
Gulf Society For Maintenance & Reliability

Women in Industry and Asset Management (WIAM)

The Women in Industry and Asset Management Committee (WIAM) aims to inspire young women in the region to road-map careers in Industry and Asset Management. WIAM provides a supportive platform for women to progress their careers through networking, gaining insights and expertise. WIAM recognizes and honors the valuable contributions of talented professionals across various industries in the region through its award categories.

IMPORTANT DATE

Submission of nomination
for all Award Categories
June 30, 2024

AWARD CATEGORIES

In 2024, WIAM will introduce three major award categories

Emerging Professional

Women professionals who have emerged by outstanding contributions and have demonstrated their skill set within their industry/or to the profession in the field of Maintenance, Reliability and Asset Management.

- With 5-15 years of experience and can self-nominate for this award or can be nominated by colleagues or team members.

Women in Excellence Achievement

Women Leaders who have been an epitome with core values as a remarkable leader or achiever by continuing commitment to excellence, developing best practices and innovative strategies within their industry/or to the profession in the field of Maintenance, Reliability, and Asset Management.

- With 15+ years of experience and can be self-nominated for this award or can be nominated by colleagues or team members.

Women Empowerment

Women or Men leaders who have empowered women as key change-makers and to enable women to excel and create a positive work culture within their industry.

- To be nominated by an individual who was influenced by the leader (women or men)

We are pleased to invite you to visit our “Innovation Corner” where the latest inventions and recent research in the fields of maintenance, reliability, asset management, and related industries will be showcased.

This will provide a unique opportunity for innovators and pioneers to share their talents among the regional Oil & Gas companies, service providers, universities, and high-profile individuals in the industry.

By spearheading innovation, the “Innovation Corner” is the most coveted regional innovation recognition where it recognizes outstanding innovations and encourages innovators, researchers, and creators in the region to continue investing in inventions.

The best innovation showcased will be honored and recognized at the end of the exhibition. Innovators, researchers, and creators from around the region are invited to enter their eligible projects to vie for top honors in this unique opportunity.

Important Date

Submission of Innovative Project/Idea
April 21, 2024

Methods of Submission

Video Clip, Presentation or Report

Sponsorship & Benefits

Companies are invited to become official sponsors for the conference and exhibition. The table below describes the different sponsorship levels and their corresponding benefits.

Sponsorship will allow companies to promote their products and services to Maintcon audiences and provide the opportunity to interact with other attending professionals. Exhibition Information

A technical exhibition will be held in conjunction with the technical sessions within the conference venue. The exhibition is intended to provide an opportunity for equipment, materials and service providers to display and demonstrate their products and services related to the maintenance reliability and asset management.

Each exhibitor is entitled to the following benefits:

- 1) Exhibitors names will be published in the conference website.
- 2) A brief resume (8 - 10 lines) of each exhibitor will be included in the official exhibition guide, which will be circulated to all invited government officials, VIPs, visitors and participating delegates.
- 3) Wide publicity will be given in the Gulf region about the exhibition to attract regional and international industrial companies and Government officials to visit the exhibition booths during the conference period.
- 4) Each exhibitor is entitled to one full conference package (one person allowed to attend all the technical sessions free of charge during the 3 days conference period).

Note: All efforts will be made to accommodate your stand location request based on availability.

Please forward your booking form to: The Conference Secretariat, MAINTCON 2024

Bahrain Society of Engineers, P.O. Box 895, Manama, Kingdom of Bahrain.

Tel: +973 17810733, Email: conference.manager@bse.bh

Conference Venue

The conference and exhibition will be held at the Exhibition World Bahrain.

Exhibition World Bahrain is a stunning piece of architecture that embraces the rich Arabic art and culture within its design. An innovative, flexible and adaptable space that is able to cater to every type of event from large conventions and exhibitions to meetings, entertainment, concerts, gala, events and celebrations.

Exhibition World Bahrain offers world-class flexibility in design with multiple space configurations, ideally suited for exhibitions, conventions, gala events, banquets, corporate launches, concerts, family entertainment, and special events.

Accommodation Information

Hotel accommodation has been reserved at the hotels near the conference venue at a special rate.

For special rates please visit our website www.maintcon.org

About Bahrain

Bahrain, an archipelago of 33 islands, is rich in history and ancient civilizations, and is situated in the Arabian Gulf, off the east coast of Saudi Arabia. The country offers a fascinating blend of eastern and western cultures. The capital, Manama, is quite modern cosmopolitan city, which boasts world class restaurants, shopping centers, and tourist attractions. The climate is hot in summer and mild in winter.

From October to March, the weather is very pleasant, with temperatures ranging from 15 to 24 degree centigrade. Arabic is the official language, but English is widely used by most businesses.
